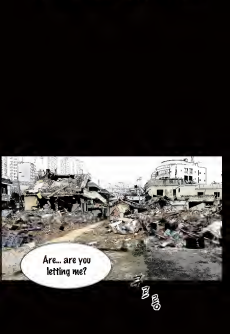
Unni. Where are you going?

I thought you wanted to study abroad?

I had somewhere to drop by before I leave.



Are... are you letting me?

It's your life.

This place is...?

....

Where we... lived a long time ago...
It's that house right?

YOMANGA.CO

You remembered.
Of course. We lived here for years... although I don't remember much of it because I was too young...

I couldn't remember until yesterday.

Huh...?

I wanted to forget...

YOMANGA.CO

That... old man used to live in this room right...?
It's the first time I've been here...

I came here once.
Really...? I didn't really approach him because he looked too scary for me...

YOMANGA.CO

I was scared too.

I wanted to accept that I wasn't

But when I look back...

I was trembling.

YOMANGA.CO

But... why were you here...?

You want to know why...?

N...No
not unless you want to...

No. You should listen. I wanted to tell someone today...

Un...Umm...

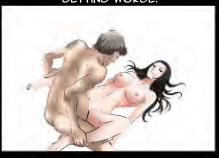
Memory is a funny thing...

I thought I buried it...
and I thought I forgot about it...

When I do relax...
it just keeps coming back to me.

YOMANGA.CO

THE FUNNY THING IS... I DON'T JUST RELIVE THE MOMENT... BUT IT KEEPS GETTING WORSE.



YOMANGA.CO

WHICH ONE IS A NIGHTMARE...

WHAT IS....

I CAN'T TELL THE DIFFERENCE BETWEEN THEM ANYMORE...!

I guess that's what I get for trying to forget.

Everything gets so mixed up...
it covers up the memory regarding the truth.

Un...Unni... why... did you do... such a thing...?

YOMANGA.CO

I'm not sure.
I thought I knew back then...

I still can't remember.

Why did I do such a thing.
